- Associate Member of the Chartered Management Institute
- Professional Member of the Vocational Rehabilitation Association
- Member of the United Kingdom Rehabilitation Council

Margaret Fisher is a Director of Employment Advisory Specialists Ltd and is a highly experienced employment and earnings consultant. She has over 26 years experience in management, recruitment, human resource development, labour market analysis, earnings, occupational research, health & safety and vocational rehabilitation.

Margaret has over 8 years experience in preparing employability and loss of earnings reports, involving a wide range of occupations and sectors, in relation to personal injury and clinical negligence cases and for employment tribunals.

She holds the Chartered Institute of Personnel and Development Certificate in Personnel Practice. Margaret is accredited by the Academy of Experts as a practising employment consultant and has been Academy of Experts trained in the Model Form of the Expert's Report and the Role and Responsibilities of the Expert.

Margaret is also an experienced vocational assessor and rehabilitation consultant and provides vocational rehabilitation programmes for people with disabilities or health problems. She is a Professional Member of the Vocational Rehabilitation Association and works closely with training providers, case managers and other professionals to provide a vocational rehabilitation package, which is tailored to the requirements of each individual.

For 18 years she held a senior position in a Systems Design Specialist company in the high-tech industry sector, having responsibility for the development and management of the personnel and human resources function, including health & safety. Through this Margaret has also gained experience of the software development, information technology and electrical design engineering sectors.

Margaret also has experience of developing company employee handbooks and policies, including health & safety, and revising these as necessary in line with employment legislation.

In addition Margaret successfully led a quality team in developing, implementing and maintaining a quality management system to ISO9001 accreditation with TickIT.
