Wendy Cantrill is a Director of Employment Advisory Specialists Ltd and is a highly experienced employment and earnings consultant. She has over 23 years experience in careers assessment and guidance, recruitment, labour market analysis, earnings and occupational research and vocational rehabilitation.

Wendy has over 13 years experience in preparing loss of earnings and employability reports in a wide range of occupations and sectors in personal injury and clinical negligence cases and for employment tribunals. She has particular experience in reporting in cases involving young persons including birth injury.

Wendy is accredited by the Academy of Experts as a practicing employment consultant and has been Academy of Experts trained in relation to the Model Form of the Expert's report and the Role and Responsibilities of the Expert.

She also provides vocational rehabilitation programmes for people with disabilities or health problems. Wendy works closely with training providers case managers and other professionals to provide a rehabilitation package, which is tailored to the requirements of each individual.

For over 10 years Wendy held senior positions in the Careers Service (Connexions). She has worked in a wide range of settings including schools, further education institutions and in training centers of government funded training providers.

Through job studies and industry sector research Wendy has a broad range of occupational knowledge. She is experienced in working with employers and training providers, in assessing recruitment needs, and providing guidance on pay and reward, qualifications and training. In addition Wendy has experience in the design and delivery of training and development programmes.

Earlier in her career she worked in a personnel function in the Administration and Legal department of a major local authority.
